

Child Safety Standards Policy – Tumbadi

At Tumbadi, we are committed to ensuring a safe and secure environment for all users, especially minors. We have a zero-tolerance policy towards any form of child sexual abuse and exploitation (CSAE).

1. Zero Tolerance for CSAE

Tumbadi strictly prohibits any content, behavior, or interaction that involves Child Sexual Abuse Material (CSAM), sexual exploitation of minors, grooming or predatory behavior, or any attempt to engage with minors in an inappropriate or sexual manner. Any such activity will result in immediate account suspension and may be reported to relevant law enforcement authorities.

2. User Safety Measures

To protect our users, Tumbadi has implemented in-app reporting and blocking features, content monitoring and moderation systems, and mechanisms to review and take action on reported content/users.

3. Reporting Mechanism

Users can report any suspicious or harmful activity directly within the app using the Report feature. Additionally, concerns related to child safety can be reported at safety@tumbadi.com. We review all reports promptly and take necessary action.

4. Child Safety Point of Contact

Child Safety Officer: safety@tumbadi.com

5. Compliance with Laws

Tumbadi complies with all applicable child safety laws and regulations, including Indian IT Laws and global standards for preventing CSAE and CSAM. We cooperate with law enforcement authorities when required.

6. Age Restrictions

Tumbadi is intended for users who meet the minimum age requirement as per applicable laws. We do not knowingly allow minors to use the platform in violation of these requirements.

7. Continuous Improvement

We continuously improve our systems and policies to better detect, prevent, and respond to child safety risks.
